perceel te koop Poblats Maritims Cabanyal Canyamel, Valencia

2 PLOTS IN VALENCIA READY TO BUILD WITH BUILDING LICENSE

Plot in VALENCIA, 50 meters from Las Arenas beach, with building permit, spectacular and unparalleled area to build 60 homes to your liking and enjoy being able to live in the BEST CITY IN THE WORLD (The InterNations portal has created a list with the places considered the best to live throughout the world. In Spain, a Mediterranean city tops the list that may surprise some Spaniards. There are many factors that influence when considering whether a city is suitable for life : housing, public transport, green areas, traffic, AN EXPECTACULAR GASTRONOMY, population density... And Valencia seems to meet all the requirements).

This plot will provide you with everything you need to be able to live in a city that has everything you want. COME AND SEE IT, IT'S AN EXPECTACULAR INVESTMENT! If you're interested, hurry up because they're going to sell right away.

CEILING METERS 2624 AND 1748 A TOTAL OF 4372.
